

Our Products

At Bree-Link Plumbing & Heating, we use nothing but the best...

Bree-Link Plumbing & Heating proudly supplies some of the best products available.

We supply and install world class products from manufacturers such as American Standard, Rheem, Ameristar and high efficiency furnaces from York.

We carry and install Navien; a leading manufacturer of tankless hot water heaters. Navien sets the bar above the competition with their 97% efficiency rating!

Navien's system boasts a modulating gas valve, two stainless steel heat exchangers, intelligent preheating technology, ultra condensing technology and optional 2 inch venting up to 60 feet. This provides all homeowners who use their system with the comfort and ease of having the best heater on the market.

Great experience working with Anthony & Ryan. The guys were thorough and committed to ensuring we got our heater back up and running after birds nested in our exhaust duct leading to dirt and debris issues getting into the furnace system.

Only feedback is to have more... [Read more](#)

December 30, 2022 via Google

Our pipes froze and then burst a few days later. Bree-Link was once again very quick to respond to our emergency. The plumber quickly assessed the situation and we made a plan to repair.

Bree-Link referred Winmar Property Restoration to suck out the water before the plumber... [Read more](#)
